ABOUT US

Alpha Marine Services (INDIA) has been a premier provider of goods, services to the maritime industry. We have developed a reputation for reliable, world-class service through our values of Excellence, Responsibility, Leadership, Collaboration, Integrity and Passion.

WHY US?

ALPHA MARINE SERVICES is a young and dynamic marine supplier in India, Our main activity consists in the delivery of products that are needed on board of ships. Anything you can think of, we deliver! What gives us the edge in comparison with other ship chandlers in India is the excellent quality of our products and services. Our employees try to take as much work out of your hands as is possible and will just simply take that extra step for you. That is what makes us more than your average ship chandler.

With combined values such as having experienced purchasers with an eye for attention to details and strong support through long lasting relationship with our suppliers and affiliates, we aim to provide customer satisfaction for long term business relationships through provision of efficient and reliable services to our clients at all times.

As we treat all vessels like our own homes, our passion towards always looking for the best deal and sourcing to provide the most comfortable quality and affordable prices to every vessel request.

It is of utmost satisfaction for us to deliver the best equipment to ship for usage.
